Can You Help with these Projects?

Our mission in CMD is to instill the Word of God in each person, beginning from ourselves in spirit and truth, and everywhere, in high and low places of the universe. He sent forth His Word and they were healed (Ps.107:20). Before the last healing Mass (March 21), as we prayed for spiritual fruits from the Healing Mass, we saw a very powerful Light emanate from the cloud. God's Word is Light. The Lord Jesus promised that He will heal and touch many hearts through CMD's mission. This Light, for some persons, will bring conversion, healing, or renewal. The Light will search out and bring back the sheep of the Lord; He wants none to be lost. This Light will strike tumors of cancers and restore paralyzed parts of some persons and untie them from sickbeds or wheelchairs, "For the Word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart" (Heb.4:12).

After the healing Mass we received quite a lot of feed back,

"Thank you for your Healing Mass on Saturday 3/21/20. Your Masses, homilies and Blessings have always been nourishing for my soul. During this time of crisis when souls are at their thirstiest, the gifts you shared were much needed and deeply appreciated. May the Holy Spirit continue to work within you more than you realize." Cathy

"I had received the message you were having the Healing Mass at St. Josephs Shrine and I was able to watch the Mass on my computer. Thank you for the beautiful Mass and your inspirations by the Holy Spirit. I went online to see if I would be able to pass the Mass along to others to watch and pray, however haven't been able to do so yet. Do you know where I May be able to find a video of it to forward to others? May Jesus release Heavenly Angels to guard and protect us all. May we all experience a rekindled joy knowing God is with us and May we all experience His Peace at this time. God Bless," Peg

"Father, In your thanksgiving tonight you can thank Jesus for a miracle that happened to ... During Adoration at the Healing Mass concerning her wayward son. she is going to contact you tomorrow."

"God bless you, Father, for that soothing Mass. Was struggling since the one day I missed Holy Eucharist," Theresa

"God Bless You Father mightily. Vinny and I watched the whole Mass together. Beautiful. So special. I prayed to St Michael and the Archangels for your strength and protection during the Mass. We love u, Father! God bless you and all watching and those who need 2 watch" ... Lorraine

It is very evident that souls are currently in their thirstiest moment. That being said, CMD is unable to reach as many lives as we can because we have technical difficulties. Many people, especially the elderly, are not savvy with Iphone, UTube or Face Book live. Persons from other countries stated they had no internet service. As you know, we communicate via these mediums which are not efficient nor are robust enough to reach everyone.

Therefore, we received a quote from our vendor which is \$25,000 to get a mini broadcast system as well as the supporting equipment that will allow people to participate and benefit from the live Healing Masses and other CMD live broadcasts. These masses will be held every other week and more as the need, and the Lord, dictates.

Be still. Look around you and see what is happening. **This is not a joke.** Many people are in denial. Thinking it will pass them, until they wake up and realize that **they are not** in control. The Lord is, and when He calls you, it's His time, not yours. Young ones need to be touched; those who have fallen away need to be saved. Souls are crying out for help however, they are trapped in addiction, deceit, lies, blasphemy, abortion, prostitution, abuse, cheating, adultery and more. They will be delivered by Jesus Christ. Help spread the Light, help us reach out to many hungry persons in low and high places.
